

E&M TECHNOLOGIES, INC.

854 Woodmoor Acres Dr.,
Monument, CO, 80132

Position: AS/DCGS-A Instructor

Location: Ft. Bragg, NC

Security Clearance: TS/SCI

Clearance Status: Current Top Secret; SCI eligible

E&M Technologies is currently hiring an All Source / DCGS-A Instructor to serve as Instructor for All-Source Analysis on the Distributed Common Ground System-Army Enterprise.

Duties and Responsibilities:

Plans, develops and conducts intelligence analysis training to military intelligence analysts. Provides instruction, instructional assistance, and appropriate scenario development support for intelligence personnel, teams, and units in support of AS/DCGS-A. Supports FASTIC SME's in the development and revision of AS/DCGSA TSPs, including Individual to collective training materials and scenarios.

Provides support to MIB/ BCT MITS events and conducts training ISO intelligence operations / unit intel architecture. Facilitates training in large and small group settings utilizing a variety of instructional environments including classrooms, MTT locations (requires travel to external customer/military sites), video teleconferences, virtual/computer-based training sessions, team teaching environments, and collective active learning environments.

Conducts resident courses on site and travels on mobile training teams (MTTs) to conduct training to pre-deploying units up to 25% of the time.

Required Qualifications:

- Ability to support development of an operational approach for the Decisive Action Training Environment and Intelligence Preparation of the Battlefield, as identified in ADRP 5.0.
- Proficiency in DCGS-A software applications, including Analyst Notebook, ArcGIS, M3, Query Tree, and Google Earth.
- At least 1 tour as an MOS 35F (All-Source Analyst) DCGS-A All- Source Analyst or equivalent experience as an All-Source Analyst on DCGS-A.
- Working knowledge of the DCGS-A Enterprise.
- Candidate must demonstrate strong communication skills and must be able to communicate on all levels both orally and in writing.

Desired Qualifications:

- Working knowledge of development of learning objectives; methodologies of lecture, demonstration, and practical exercise; adult learning theory, and use of training aids
- Graduate of the Army Basic Instructor Course (ABIC) or equivalent Intelligence Community instructor course (i.e., NGA College, NSA ADET, etc.).

Salary: Negotiable Based on Experience
