Position: DCGS-A Instructor
Location: Ft. Bragg, NC
Security Clearance: TS/SCI   **Clearance Status: Must be Current**

Description:
E&M Technologies is currently hiring a **DCGS-A Instructor** to serve as Instructor for All-Source Analysis on the Distributed Common Ground System-Army Enterprise. E&M Technologies offers competitive salaries, medical benefits, and a 401k plan.

Duties and Responsibilities:
Plans, develops and conducts intelligence analysis training to military intelligence analysts. Successful candidates must have demonstrated **subject matter expertise** in All-Source Analysis.
The candidate shall experience in military intelligence with tactical and/or strategic intelligence analysis experience and must understand military intelligence processes and procedures, including Intelligence Preparation of the Battlefield (IPB) and associated workflows.

Must have an in-depth knowledge of one or more of the following tools: Analyst's Notebook, DCGS-A, ArcGIS, M3, Query Tree, Google Earth, and other various databases within the intelligence community.

Works in conjunction with all-source analysts at the National Ground Intelligence Center and in operational units world-wide in order to incorporate lessons learned and operational vignettes into course material.

Conducts resident courses on site and travels on mobile training teams (MTTs) to conduct training to pre-deploying units up to 50% of the time.

Develops course content, evaluates students and maintains current training to our primary customer, INSCOM, and US Army intelligence analysts worldwide.

Required Qualifications:

1. Experience with military intelligence analysis at the tactical, theater, or national levels.
2. Experience in conducting platform instruction and/or OJT instruction in intelligence related subjects.
3. Candidate must manage multiple tasks and suspense's, while remaining flexible within an evolving environment.
4. Candidate must demonstrate strong communication skills and must be able to communicate on all levels both orally and in writing.

Desired Qualifications:

- BA/BS desired
- Working knowledge of development of learning objectives; methodologies of lecture, demonstration, and practical exercise; adult learning theory, and use of training aids

Salary: Negotiable Based on Experience
To Apply for this Position:
You must have the listed skills and experience in your resume to be selected for an interview. Send your resume to **emtech@eandmtech.com**
