Job Title: Counterintelligence Law Enforcement - Senior

Location: Ft Belvoir, VA

Security Clearance: TS/SCI

E&M Technologies is currently seeking a **Counterintelligence Law Enforcement – Senior** in support of the Army INSCOM 902nd Program.

Responsibilities:

- Provides intelligence support for contingency operations, battle staff and operational-level planning, joint and multi-lateral training exercises, and strategic engagement policy throughout the Areas of Operational Responsibility (AOR) and Areas of Interest (AOI).
- Monitors and analyzes all strategic and operational aspects of political, military, and economic developments for the countries in the AORs and AOIs. Assesses future and on-going political-military developments, military capabilities and doctrine, weapons acquisitions, and employment of military forces within each country.
- Researches, authors, and coordinates threat assessments to support the Commander and other senior leadership as well.
- Conduct research and analysis of suspicious activity reporting (SAR) from all sources that may reveal force protection and foreign terrorist threats to the U.S. Army and the Department of Defense worldwide.
- Analyze SAR, OSINT, HUMINT, SIGINT and IMINT reporting from a wide variety of sources provided by the Government to identify current and emerging force protection threats, ascertain the degree and immediacy of those threats, and make reasoned and well-founded judgments concerning the future evolution of the threats; with the specific intent of providing fusion of intelligence/counterintelligence and law enforcement information.
- Maintain collaborative contact with counterparts in the counterintelligence community and the law enforcement community concerning ongoing analytic efforts and findings to ensure that all threats to the Army and DoD are identified and addressed.
- Such contacts shall include, at a minimum, the Army Threat Integration Center (ARTIC), the U.S. Army Criminal Investigation Command (USACID), local/state/federal law enforcement, and the U.S intelligence community.

Education and Experience:

- Requires Bachelor's degree or equivalent, and five to seven years of related experience.

Preferred Skills:

- Law enforcement background or Counterintelligence background; Army investigations; MOS Counterintelligence 35L, 351L, 35E; Counterintelligence Special Agent Course (CISAC).

E&M Technologies offers competitive salaries, medical benefits, and a 401k plan.
