

E&M TECHNOLOGIES, INC.

854 Woodmoor Acres Dr.
Monument, CO 80132

Job Title: Counterintelligence Research Analyst - Senior

Location: Ft Belvoir, VA

Security Clearance: TS/SCI

E&M Technologies is currently seeking a **Counterintelligence Research Analyst – Senior** in support of the Army INSCOM 902nd Program.

Responsibilities:

- Provides intelligence support for contingency operations, battle staff and operational-level planning, joint and multi-lateral training exercises, and strategic engagement policy throughout the Areas of Operational Responsibility (AOR) and Areas of Interest (AOI).
- Monitors and analyzes all strategic and operational aspects of political, military, and economic developments for the countries in the AORs and AOIs.
- Assesses future and on-going political-military developments, military capabilities and doctrine, weapons acquisitions, and employment of military forces within each country.
- Researches, authors, and coordinates threat assessments to support the Commander and other senior leadership as well.
- May function as a team lead or as an individual contributor.
- The Contractor shall provide general military intelligence analysis and organizational expertise dealing with threats to the U.S Army/DoD interests worldwide.
- Communicate analytic findings in the Army Military Intelligence Law Enforcement Summary (AMILES) as a weekly product that fuses law enforcement and intelligence reporting on potential threats, as well as in written assessments, force protection notes, briefings with graphics, written inputs to other designated intelligence products, informal briefings and participation in working groups, conferences, and one-on-one sessions with consumers of intelligence and counterintelligence information.

Position Requirements:

- Bachelor's degree and/or 7 years of experience in related field, at a minimum.
- Law enforcement background or Counterintelligence background; Army investigations; MOS Counterintelligence 35L, 351L, 35E; Counterintelligence Special Agent Course (CISAC)

E&M Technologies offers competitive salaries, medical benefits, and a 401k plan.

To Apply for this Position:

You must have the listed skills and experience in your resume to be selected for an interview. Send your resume to emtech@eandmtech.com

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, marital status, national origin, age, veteran status, disability, or any other protected class. U.S. Citizenship is required.
