

E&M TECHNOLOGIES, INC.

854 Woodmoor Acres Dr.,
Monument, CO, 80132

Job title: Intelligence Technician

Location: Fort Meade, MD

Security clearance Required: TS/SCI with CI Polygraph

E&M is actively seeking a Intelligence Technician personnel.

As an intelligence technician on our team, you'll help your client understand their mission environment and add clarity to leadership's strategic decision-making. Using your comprehensive understanding of the Intelligence Community, you'll communicate and collaborate with a broad range of command partners. You'll share your expertise with other analysts through leadership and mentoring. We focus on growing as a team to deliver the best support to our customers, so you'll have resources to learn new skills and tools. Join us as we provide the right information at the right time to support the critical needs of our warfighters and our nation's leaders. Empower change with us.

Required Skills:

- 8+ years of experience supporting military intelligence or cyberspace entities
- Experience with monitoring intelligence from a range of sources
- Experience with disseminating intelligence products across US and Allied/Partner systems
- Experience with managing RFIs and producing metrics and briefings
- Experience with supporting Intelligence Directorate leadership
- Knowledge of DoD and IC operations and mission
- Knowledge of DoD and IC partnership agreements

Desired Skills:

- 12+ years of experience as an intelligence technician supporting military intelligence or cyberspace entities
- Ability to operate independently or as a team supporting command priorities
- MA or MS degree preferred

Education Required:

- Bachelor of Arts or Bachelor of Science degree

E&M Technologies offers competitive salaries, medical benefits, and a 401k plan.
