

**E&M TECHNOLOGIES, INC.**

854 Woodmoor Acres Dr.,  
Monument, CO, 80132

**Job title: Graphic Designer Senior**

**Location: Fort Meade, MD**

**Security clearance Required: TS/SCI with CI Polygraph**

**E&M is actively seeking a Graphic Designer personnel.**

As a graphic designer on our team, you'll help your client understand their mission environment and add clarity for the team's investment assessment products. Using your comprehensive understanding of various design platforms, you'll combine information from disparate sources to finalize intelligence products. You'll validate information and develop tradecraft as you build assessments for internal client publications and IC-wide products. You'll share your expertise with other teammates through leadership and mentoring. We focus on growing as a team to deliver the best support to our customers, so you'll have resources to learn new skills and tools. Join us as we provide the right information at the right time to support the critical needs of our warfighters and our nation's leaders.

**Required Skills:**

- 8+ years of experience as a graphic designer supporting military intelligence or cyberspace entities
- Experience with providing graphic design and layout solutions for intelligence products in accordance with IC guidelines
- Experience with collaborating with analysts to best convey analytic assessments through graphic and layout solutions
- Knowledge of current IC style guides and other applicable publications policies
- Knowledge of professional graphics design software, including Apple Final Cut Pro X and Adobe Creative Suite

**Education Required:**

- BA or BS degree

**Nice to Have:**

- 12+ years of experience as a graphic designer supporting military intelligence or cyberspace entities
- Ability to operate independently or as a team supporting command priorities
- MA or MS degree

E&M Technologies offers competitive salaries, medical benefits, and a 401k plan.
