

E&M TECHNOLOGIES, INC.

854 Woodmoor Acres Dr.,
Monument, CO, 80132

Job title: Collection Manager Senior

Location: Fort Meade, MD

Security clearance Required: TS/SCI with CI Polygraph

E&M is actively seeking a Collection Manager personnel.

As a collection manager on our team, you'll help your client understand the cyber mission environment. Using your comprehensive understanding of various collection platforms, you'll combine information from disparate sources and coordinate and deconflict competing requirements. As an authority on intelligence planning in the Cyber environment, your client will look to you for time critical recommendations, often under pressure. This is a chance to grow your expertise and broaden your skillset. You'll share your expertise with other analysts and planners through leadership and mentoring. We focus on growing as a team to deliver the best support to our customers, so you'll have resources to learn new skills and tools. Join us as we provide the right information at the right time to support the critical needs of our warfighters and our nation's leaders.

Required Skills:

- 8+ years of experience as a collection manager supporting military intelligence or cyberspace operations
- Experience in collaborating with collection management across the DoD or IC
- Experience with Measures of Effectiveness (MOEs), Measures of Performance (MOPs), and producing feedback of findings
- Knowledge of USCYBERCOM, subordinate organizations' structures, and related collection management authorities
- Knowledge of all-source collection management systems, databases, and processes
- Knowledge of industry- and IC-standard intelligence collection and requirements tools and databases
- Graduate of an in-residence DoD or IC Collection Management Course

Education Required:

- BA or BS degree

Nice to Have:

- 12+ years of experience as a collection manager supporting military intelligence or Cyberspace operations
- Experience in a leadership role in the DoD or IC
- Experience with USCYBERCOM or USSTRATCOM
- Knowledge of all-source intelligence collection management systems, databases, and processes
- Knowledge of statistics and statistical packages, including MATLAB, SPSS, SAS, S-PLUS, or R
- MA or MS degree preferred

E&M Technologies offers competitive salaries, medical benefits, and a 401k plan.
