

E&M Technologies
4465 Northpark Drive, Suite 304
Colorado Springs, CO 80907

POSITION: Junior Imagery Analyst
Work Location: Charlottesville, VA
Required Clearance: TS/SCI

E&M Technologies, Inc is seeking an Imagery Analyst to join our team in support of the U.S. Army INSCOM National Ground Intelligence Center (NGIC) Cyber Analysis Support Services (CASS). As the Junior Imagery Analyst, you can research and produce Imagery Intelligence (IMINT) reports and post them to the GEOINT Enterprise TPED System (GETS) by interpreting imagery, visible, infrared, and radar data as well as full motion video for the identification of foreign conventional ground mobile Electronic Warfare order of battle. You will research, prepare, and coordinate the Quality Control of draft reports and publish these reports in GETS. You will also use GETS products to prepare and deliver briefings to analytic counterparts and intelligence forums on the topic. We hope you can join us as we shape the future of our nation's defense. E&M Technologies offers competitive salaries, medical benefits, and 401k plan.

Required Experience/Education

- Experience in researching, developing, and delivering professional briefings, multimedia presentations, and written reports
- Knowledge of imagery, products, processes, and sensors
- Bachelor's degree in electrical or computer engineering, computer science, or directly related field of study (Experience may be substituted for education)

Preferred Qualifications:

- Military and tactical experience, such as foreign doctrine, tactical employment of systems, or supervision of such systems and tactics

To Apply for this Position:

You must have the Required Experience and Education in your resume to be selected as a candidate.

Send your resume to emtech@eandmtech.com

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, marital status, national origin, age, veteran status, disability, or any other protected class. U.S. Citizenship is required for most positions.
