

E&M Technologies
4465 Northpark Drive, Suite 304
Colorado Springs, CO 80907

POSITION: Threat Cyber Tech Lead
Work Location: Charlottesville, VA
Required Clearance: TS/SCI

E&M Technologies, Inc is seeking a Threat Cyber Tech Lead to join our team in support of the U.S. Army INSCOM National Ground Intelligence Center (NGIC) Cyber Analysis Support Services (CASS). As the Threat Cyber Tech Lead, you will serve as the primary technical point of contact in order to provide guidance and oversight to the most challenging analytic issues facing the Threat Cyber analytic team. You will assist in enabling other analysts by providing input to the most challenging analytic, research, and production related issues and tasks. You will work across all the efforts happening within their team, to allow for maximum collaboration. We hope you can join us as we shape the future of our nation's defense. E&M Technologies offers competitive salaries, medical benefits, and 401k plan.

Required Experience/Education

- Network device and configuration technology
- Risk management
- Technical threats (malware, zero day, application, wireless) & vulnerabilities (penetration testing, fuzzing, secure coding, device encryption, physical and logical layers)
- Secure software development
- Operating systems (including Windows, Linux, QNX, and RTOS)
- Virtualization
- Authentication, access control, & data protection
- Protocols
- Cloud
- Intrusion & signature detection
- Incident response/recovery
- Cryptography
- Digital forensics
- Embedded system design
- Experience in researching, creating, developing, and delivering professional briefings, multimedia presentations, and written reports
- Security+, Network+, or CompTIA Certification
- Bachelor's degree in electrical or computer engineering, computer science, or directly related field of study

Preferred Qualifications:

E&M TECHNOLOGIES, INC.

E&M Technologies
4465 Northpark Drive, Suite 304
Colorado Springs, CO 80907

- CSSLP, CISSP, ISSEP, CASP, CAP, GSLC, CISM, or DOD/DHS/NSA Certification
- Military and tactical experience, such as foreign doctrine, tactical employment of systems, or supervision of such systems and tactics

To Apply for this Position:
