

E&M Technologies  
4465 Northpark Drive, Suite 304  
Colorado Springs, CO 80907

**POSITION:** Solaris Systems Administrator/Engineer

**Work Location:** Colorado Springs, CO

**Required Clearance:** Secret

**E&M Technologies, Inc.** is currently seeking a **Systems Administrator/Systems Engineer** to support a Federal government client.

**Position Requirements:**

- Primary responsibilities are participating in the implementation, maintenance, and support of information technologies, to include Solaris (primarily), Red Hat Linux, and Windows systems and components.
- The engineer schedules and performs installations and upgrades to OS/COTs, software, and database packages in accordance with established IT policies and procedures.
- In addition, this position will support the overall integration on new development systems as they transition to sustainment.
- The engineer is responsible for managing appropriate software solutions to ensure server data integrity, monitoring, and tuning the system to achieve optimum performance level, monitoring security alerts and application systems, and working with other staff to ensure that all appropriate patches are applied.
- The engineer will develop scripts using Z-Shell, C-Shell, Perl, or other similar tools to improve administration automation.
- The selected candidate will also develop and apply cybersecurity solutions utilizing current DISA Security Technical Implementation Guides (STIGs) to ensure high compliance status is met.

**Required Experience:**

- Must Meet DOD 8570 Requirement (current Security+ or similar)
- Minimum 5 years Solaris systems administration/engineering, including Solaris 10 & 11 on SPARC and x86 platforms
- Minimum 5 years VMWare, Oracle VM, Hyper-V or other virtualization platform experience
- Scripting experience required
- Solaris patching experience required
- Extensive LDAP experience preferred
- Windows systems administration helpful
- Familiarity with cybersecurity practices (virus protection, applying vendor critical patches, system accreditation, etc.)
- General understanding of ClearQuest and/or ClearCase

**E&M TECHNOLOGIES, INC.**
