

E&M Technologies
4465 Northpark Drive, Suite 304
Colorado Springs, CO 80907

POSITION: Senior Intelligence Trainer (SME IV)

Work Location: Fort Bragg, NC

Required Clearance: TS/SCI

E&M Technologies, Inc. is currently seeking a **Senior Intelligence Trainer (SME IV)** to support a Federal government client.

Position Requirements:

- Serves as the Senior Subject Matter Expert who facilitates execution of brigade level Intelligence certification events encompassing the Decisive Action Training Environment (DATE), Mission Rehearsal Exercises, and other specialized exercises as required
- Provide liaison and direct support to the INSCOM Brigade Commander and Senior Intelligence Officer (SIO) responsible for generating an operational environment for unit training exercises, assisting and mentoring in the overall planning and delivery of the exercise
- In conjunction with conventional force maneuver and other war fighting function planners, coordinates, integrates, synchronizes, and prepares doctrinally and grammatically correct exercise control products. Documents include, but are not limited to, Intelligence Portions of Operation Orders (OPORDs), Warning Orders (WARNORDs), Fragmentary Orders (FRAGORDs), Scenario Scripted Events, Combat Instructions and other tactical and exercise control Intelligence related products.
- Assists in providing the necessary military direction and guidance within which the Brigade will conduct the Intelligence components of its planning.
- Assist in HICON in issuance of orders and collecting appropriate reports from the training unit in the execution of planning and training
- Assist in maintaining the integrity of the scenario, ensuring synchronization between the HICON and O/C/T during staffing processes and exercise execution
- During CTC and major exercises, serves as the Intelligence representative in a replicated HICON element, as well as advising Intelligence Soldiers serving in similar HICON roles

Required Experience:

- Minimum retired Army O-6
- Minimum of 10 years of operational experience
- Experience with exercise scenario development
- Recent CTC/ACTC/MCTP experience
- Recent S2 OIC/NCOIC experience or Battalion or Brigade Leadership
- Familiarity with leveraging Army Training Network (ATN), Combined Arms Training Strategy (CATS), and METL development tools
