

E&M Technologies
4465 Northpark Drive, Suite 304
Colorado Springs, CO 80907

POSITION: AS/DIS Instructor
Work Location: Germany
Required Clearance: TS/SCI

E&M Technologies, Inc. is currently seeking an **AS/DIS Instructor (Content SME/Instructor II)** to support a Federal government client.

Position Requirements:

- Provide instruction, instructional assistance, and appropriate scenario development support for intelligence personnel, teams, and units in support of AS/DIS
- Provide SMEs for the development and revision of AS/DIS TSPs, including Individual to collective training materials and scenarios
- Support exercises
- Conduct training to support the intelligence operations
- Familiarity with integrating multimedia course instructional methods
- Facilitate training in large and small group settings
- Use a variety of instructional environments, including classrooms, MTT locations (requires travel to external customer/military sites), video-teleconferences, virtual and computer-based training sessions, team teaching environments, and collective active learning environments.

Required Experience:

- Ability to support development of an operational approach for the Decisive Action Training Environment (DATE) and Intelligence Preparation of the Battlefield (IPB), as identified in ADRP 5.0
- Proficiency in DCGS-A or DIS software applications, including Analyst Notebook, ArcGIS, M3, Query Tree, and Google Earth
- At least 1 tour (i.e., 4 years) as an MOS 35F (All-Source Analyst) DCGS-A or DIS All-Source Analyst or equivalent experience as an All-Source Analyst on DCGS-A or DIS
- Working knowledge of the DCGS-A or DIS Enterprise

Required Education:

- At least 10 years of related experience or a Bachelor's degree from an accredited college in a related field and at least 6 years of related experience

Preferred Qualification:

- Graduate of the Army Basic Instructor Course (ABIC) or equivalent Intelligence Community instructor course (i.e., NGA College, NSA ADET, etc.)
