Job Title: S3 Training and Education Specialist
Location: Ft Belvoir, VA
Security Clearance: TS/SCI

E&M Technologies is currently seeking an **S3 Training and Education Specialist.**

Responsibilities:
- Understand and improve the judgment and decision making of individuals, groups, and organizations.
- Apply principles of psychology to business, analytic and other decision-making processes to improve and / or empirically evaluate those processes.
- Activities may include assisting in policy planning; workflow procedures testing and evaluation, analytic workflow redesign, training, and development.
- May work with management to prescribe workflow modifications that improve worker productivity and analytic judgment.
- Conduct resident training
- Conduct training for the mobile teams (CONUS and OCONUS)
- Review, revise and create training products
- Develop and maintain lesson plans
- Support MRX

Minimum Experience:
- TRADOC Certified Instructor
- Bachelor's degree in related field or equivalent experience
- 5 years of experience required in training, education or curriculum development.
- Demonstrates the ability to communicate understanding from information that may be incomplete, indirect, highly complex, seemingly unrelated, and / or technically advanced.
- Demonstrates ability to structure analysis based on trends in reporting and a range of analytic perspectives from other analysts, organizations, and intelligence disciplines.
- Demonstrates ability to work independently with minimal oversight and direction.
- Demonstrates ability to collaborate and work with other IC members on information sharing, driving collection, and addressing analytic disputes and conflict resolution.
- Demonstrates ability to develop concise, insightful, and comprehensive products for defense intelligence.
- Demonstrates ability to lead teams in researching multifaceted or critical problems. Provides guidance in selecting, designing, and applying analytic methodologies. Uses argument evaluation and validated analytic methodologies to challenge differing perspectives.
- TRADOC Certified Instructor
- Bachelor's degree in related field or equivalent experience
- 5 years of experience required in training, education, or curriculum development.

Required Training/Certification:
- Army Information Operations Planner course - AIOPC

Desired Experience/Education:

- Desired Experience: At least 8 years of experience conducting analysis relevant to the specific labor category with at least a portion of the experience within the last 2 years.
- Desired Education: Bachelor's degree in an area related to the labor category from a college or university accredited by an agency recognized by the U.S. Department of Education.
