

E&M Technologies
4465 Northpark Drive
Suite 304
Colorado Springs, CO 80907

POSITION: Training Specialist ST3

Work Location: Remote with occasional travel to Government Facilities

Required Clearance: Secret

E&M Technologies, Inc is seeking **Training Specialists** to support a Navy Surface Warfare Center program for the development of a 3-D training environment for maintenance tasks on shipboard systems. Majority of the work will be remote with occasional travel to contractor and government facilities. E&M Technologies offers competitive salaries, medical benefits, and 401k plan.

Position Requirements:

- 8-10 years in curriculum and courseware development.
- Experience developing comprehensive training curriculum for defense systems (Navy experience desired)
- Experience with training event support coordination, implementation, and evaluation
- Experience with virtual training systems utilizing software architectures and frameworks, computer hardware, virtual reality toolsets and technology to create immersive virtual training environments

Additional Qualifications:

- Experience with Navy shipboard systems desired but not required

Required Experience/Education:

- Masters' or Bachelors' degree in Education, Psychology or related Training Systems discipline

To Apply for this Position:

You must have the Required Qualifications in your resume to be selected as a candidate.

Send your resume to [**emtech@eandmtech.com**](mailto:emtech@eandmtech.com)

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, marital status, national origin, age, veteran status, disability, or any other protected class. U.S. Citizenship is required for most positions.
