Colorado Springs, CO 80907

POSITION: Computer Engineer EC3

Work Location: Remote with occasional travel to Government Facilities

Required Clearance: Secret

E&M Technologies, Inc is seeking multiple **Computer Engineers** to support a Navy Surface Warfare Center program for the development of a 3-D training environment for maintenance tasks on shipboard systems. Majority of the work will be remote with occasional travel to contractor and government facilities. E&M Technologies offers competitive salaries, medical benefits, and 401k plan.

Position Requirements:

- 8-10 years of computer engineering experience
- Experience developing 2D / 3D modeling and simulation programs
- Experience performing research, analysis, definition, design, development, improvement, enhancement, prototyping and review of capabilities and requirements at the systems/subsystems level for both software and hardware implementations.
- Experience with Agile software development process
- Experience compiling source code and creating and delivering software executables

Additional Qualifications:

- Experience with Navy shipboard systems desired but not required
- Experience collecting and assessing performance test and evaluation data to determine and report areas of opportunity for improvement in system, subsystem, and component design

Required Education:

- Master's level degree in Computer, Electrical or Electronics Engineering or Mathematics with field of concentration in computer science or 10 years of professional experience in computer design, software development or computer networks

To Apply for this Position:

You must have the Required Qualifications in your resume to be selected as a candidate.

Send your resume to [**emtech@eandmtech.com**](mailto:emtech@eandmtech.com)

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, marital status, national origin, age, veteran status, disability, or any other protected class. U.S. Citizenship is required for most positions.
