

E&M Technologies  
4465 Northpark Drive  
Suite 304  
Colorado Springs, CO 80907

**POSITION: Jr. Graphic Designer 1**

**Work Location: Remote with occasional travel to Government Facilities**

**Required Clearance: Secret**

E&M Technologies, Inc is seeking a **Graphic Designer** to support a Navy Surface Warfare Center program for the development of a 3-D training environment for maintenance tasks on shipboard systems. Majority of the work will be remote with occasional travel to contractor and government facilities. E&M Technologies offers competitive salaries, medical benefits, and 401k plan.

**Position Requirements:**

- 3-5 years' experience with graphics design for gaming or simulation systems
- Experience with graphics design for 2D / 3D modeling and simulation programs
- Experience translating client needs and branding strategies into design strategies
- Experience designing visual concepts using graphic design tools including design software

**Additional Qualifications:**

- Experience with Navy systems desired but not required

**Required Experience/Education:**

- Bachelor's degree or 4 years' experience as a graphic designer

**To Apply for this Position:**

You must have the Required Qualifications in your resume to be selected as a candidate.

Send your resume to [emtech@eandmtech.com](mailto:emtech@eandmtech.com)

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, marital status, national origin, age, veteran status, disability, or any other protected class. U.S. Citizenship is required for most positions.
