

**E&M TECHNOLOGIES, INC.**

E&M Technologies  
4465 Northpark Drive, Suite 304  
Colorado Springs, CO 80907

**Position:** C3 Systems Analyst  
**Work Location:** Quantico, VA  
**Required Clearance:** Top Secret/SCI

**E&M is actively seeking a C3 Systems Analyst** in support of a federal government client.

**Position Requirements:**

- Conducts All-Source research and analysis and produces finished scientific and technical intelligence (S&TI) assessments on emerging and disruptive technologies.
- Identifies technical capabilities and performance characteristics of foreign C3 systems.
- Conducts analysis of R&D processes and organizations associated with target C3 systems.
- Provides technological assessments suitable for ingesting into Library of National Intelligence in accordance with Defense Intelligence Analysis Program requirements and Office of Director of National Intelligence (ODNI) Intelligence Community Directives.
- Prepares and provides S&TI products in support of Department of Defense concepts, capability development, and acquisition customers. These products include subject matter briefs, intelligence notes, threat modules, threat briefings, and technical memoranda.
- Collaborates and coordinates products within DoD and IC agencies and organizations throughout the S&TI Enterprise.

**Required Skills/Experience:**

- Significant technical experience exploiting and/or assessing foreign threats within the IC/DoD.
- Strong operational/technical understanding of C3 or C4ISR systems and architecture.
- Possess a working knowledge of S&TI within DoD to include S&TI production centers and responsibilities.
- Strong critical thinking/creative thinking skills with the ability to conduct independent research and analysis of classified and open-source data, to include academic and gray literature.

**Required Education:**

- Bachelor's degree - BS in Telecommunications or similar discipline preferred

**To Apply for this Position:**

You must have the Required Qualifications in your resume to be selected as a candidate.

**Send your resume to [emtech@eandmtech.com](mailto:emtech@eandmtech.com)**

All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, marital status, national origin, age, veteran status, disability, or any other protected class. U.S. Citizenship is required for most positions.
